2. The restricted area on Weissener Strasse (2) and of the office

 by 10 February 1950.

The office was allegedly moved to Klotzsche.

25X1 Comment:

(1)

Some of the offices reportedly moved from Radebeul to  
 Dresden-Neustadt are known.  
 All of them are presumably subordinate to the SCC and were  
 moved in connection with the reorganization of the SMA  
 into the SCC. The laboratory mentioned was previously in  
 the Vier Jahreszeiten Hotel on Goethestrasse, Radebeul.
